**This amount will be applied towards material order if material order is shipped within six (6) months.

*** If not released for production and/or shipment 30 days after assembly drawings have been completed, an invoice will be processed for personnel time spent to date at \$300 per hour.

***Maximum of 8 weeks at one time on site and/or in transit from the U.S. Then 2 weeks leave time at same rates including travel expenses to and from the U.S. (i.e. for every 8 weeks work outside the U.S., charges will be made for 10 weeks, plus all expenses.)

If outside source inspection, assembly, etc. is required prior to shipment of an order, \$100.00 net per man hour (plus equipment time, if applicable) is chargeable, with \$500.00 as a minimum.

- Notes:**
1. Amounts noted above are dealer prices.
 2. Terms - CIA or approved credit.
 3. Prices pertain to Rohn towers only.
 4. A man day (8 hours) begins when Rohn personnel leave factory (Peoria) and ends upon return.
 5. Other services and studies available at \$300.00 per man hour plus an \$800.00 computer charge.
 6. Subject to change without notice.
